

MUFFAKHAM JAH COLLEGE OF ENGINEERING AND TECHNOLOGY

(Estd. by Sultan-Ul-Uloom Education Society in 1980)

(Affiliated to Osmania University, Hyderabad)

(approved by the AICTE & Accredited by NAAC)

Action taken by the institution on the curriculum

Academic Year 2019-2020

The stakeholders believe that putting more emphasis on using cutting-edge emerging technologies like artificial intelligence, machine learning, deep learning, and other innovative engineering solutions to solve real-world problems would increase students' employability generally and better equip graduates for challenges in the real world. A review of employer, alumni, and student feedback served as the study's foundation.

1. Department organized a workshop on Big data and Hadoop
2. Expert talks were arranged for students OpenCV using python
3. Department organized a workshop on Android Application Development
4. Internship are made mandatory for students and are asked to do in reputed organization.
5. Guest Lecture on Block chain Technology was organized for III and IV year students.
6. Industry Visit to T-HUB Campus to explore the setup needed for Entrepreneurships and Start-ups.
7. An Expert Lecture on “IaaS – Open Source Cloudstack”.
8. Department level CRT was conducted to prepare students for ensuing campus placements.
9. Online Courses were organized by Placements Cell for Campus Recruitment Training by
10. identifying a prominent CRT Training provider.
