on
Academic Exchange
between
Faculty of Applied Logistic and Polymer Sciences
University of Applied Sciences Kaiserslautern
Pirmasens, Germany
and
Department of Mechanical Engineering
Muffakham Jah College of Engineering & Technology
Hyderabad, India

The Department of Mechanical Engineering, Muffakham Jah College of Engineering & Technology, Hyderabad, India and the Department of Logistic and Polymer Sciences, University of Applied Sciences Kaiserslautern, Germany hereby affirm their intent to promote the academic collaborations and exchanges, that will be based upon mutual interest of both institutions.

The agreement will basically cover

- Exchange of faculty/staff members;
- Exchange of students - maximum of five students each way annually;
- Informing students about English taught Master programs;
- Co-ordination in joint projects, seminars, conferences, etc.;
- Other activities based on the agreement between the two institutions/parties.

The two parties agree to provide applicants from the partner University for Master Programs with a higher priority.

Expenses incurred from participation in the exchange program will be borne by the sending side or the participating individuals. Consultancy and agreement between the two institutions must be done before the implementation of any particular exchange program, projects and conferences etc., listed above.

This agreement is effective upon signing of the agreement by both parties and shall be in effect for five years. Revision and modification may be done by mutual consent in writing. Renewal of this agreement requires discussion and mutual consent by both parties prior to the expiration date. Either party may request an early termination of this agreement by written notification to the other party at least six months in advance of the desired termination date.
