Department of Computer Science and Engineering

Sayyada Mubeen

- **Assistant Professor**
- Qualification: BE(CSE), M.Tech(SE)
- E-mail: sayyada.mubeen@mjcollege.ac.in

Experience

12

Publications

1. Published Research paper named "Distinctive classifiers for Text categorization using Distributional Features" in year 2011 Annual IEEE India Conference INDICON 2011.
2. Published paper "Comparison of SVM and KNN classifiers for Text Categorization of passages" in international Journal of Advances Computer Engineering and Architecture June 2011.
3. Published paper "Passages using KNN classifier" in the National conference on Emerging Technologies & Advanced Computing
4. Attended two days workshop on Online tools and software for remote teaching learning-24th and 25th April 2020 organized by UGC-HRDC,JNTUH,HYD>br> 5. Participated in 5 days online faculty development program on ?Innovative trends in data Analysis with Artificial intelligence I from 26 to 30 may 2020.
6. Participated in webinar on ROADMAP TO GET PATENT on 21st may 2020 at JBIET.
7. Attended faculty development program on cloud computing services on 3rd June 2020 at JBREC.

Area of Expertise

C, Data Structures, Oops through Java, Computer Networks , Discrete Mathematics
