

HOUSE HOLD SURVEY

Village: Koyyagunddu Thanda

Date: 15/12/2020

Under the participating institutions (PIs) of Unnat Bharat Abhiyaan (UBA), Muffakham Jah college of engineering and Technology, Banjara Hills, Hyderabad have been established the UBA cell to carry out the development activities in the five adopted villages. According to UBA proceeding, it is mandatory and second important activity. It plays key role to build the rapport with all the villagers. The main purpose of conducting the house hold survey is to understand the various conditions of the adopted village.

House Hold Survey of Koyyagunddu Thanda was carried out on 15/12/2020 by coordinator and members of Unnat Bharat Abhiyaan (UBA) along with some faculty members as mentioned in the list given below. With the support of Koyyagunddu Thanda grama panchayat members and villagers we have successfully completed.
