

Muffakham Jah College of Engineering and Technology – Institution's Innovation Council

IIC 8.0 (2025-2026) – CELEBRATION ACTIVITY

NATIONAL SCIENCE DAY 2026 (28th February-2026)

Session Details:

Title of the session: National Science Day 2026 (in commemoration of the discovery of the **Raman Effect** by the Indian physicist **C. V. Raman** on **February 28, 1928**)

Date: 28th February, 2026

Duration: 2 hours (11 AM to 1.00PM)

Activity Category: Celebration Activity

Theme: Quantum Technologies

Expert/Speaker Details:

Name: Dr. M. Sree Ramana

Designation: Scientist

Organization: RCI, Hyderabad

Brief about Expert/Speaker: Dr. M. Sree Ramana Mukkamala is a senior scientist (Scientist F/E) at the Research Centre Imarat (RCI) under the Defence Research and Development Organisation (DRDO), Hyderabad. He holds a Ph.D. in Physics from the University of Hyderabad and specializes in laser systems, inertial sensors, and advanced sensor technologies. With significant contributions to defence research, particularly in navigation and guidance systems, he is also a sought-after speaker who shares his expertise in photonics, material science, and emerging technologies with academic and professional audiences.

Objective:

It aims to awaken curiosity, deepen appreciation for the wonders of science in everyday life, and inspire young minds to explore, innovate, and contribute meaningfully to society through scientific thought and technological progress.

Outcome of the activity:

Key Highlights:

- The session enhanced understanding of emerging trends and global research in **Quantum Technologies**.

- It provided clarity on diverse career opportunities in advanced scientific and engineering domains.
- It also encouraged the values of curiosity, perseverance, and creativity in scientific pursuits. The speaker emphasized that “Nature is our Guru.”
- It inspired a reflective and holistic scientific outlook, fostering deeper intellectual engagement among students and faculty.
