

CHEMISTRY FACULTY MEMBERS

Research Publications

S. No	Name of the Faculty	No. of Research Publications	Area of Expertise	Research Interest
1	Dr. V. Shanthi	24	Molecular Modeling, Computational Studies, Drug Designing and Antioxidant activities	Molecular Modeling, Computational Studies, Drug designing, Antioxidant activities and Green Chemistry
2	Dr. Aneesa Ferdose	4	Synthetic and Kinetic Study of Organic Compounds	Nanomaterials and Biodegradable Polymers
3	Dr. Kishor Palle	17	Heterogeneous Catalysis and Green Chemistry	Heterogeneous Catalysis, Green Chemistry, Material Science and Computational Chemistry
4	Mrs. Amina Sarwar	3	Drug Designing and Nanotechnology	Drug Designing and Nanotechnology
5	Mrs. Arshiya Bhanu	Nil	Anticancer Drugs	Anticancer Drugs and Nanotechnology
