

Attention: 4/4 B.E. (IT) – I Semester Project Work Guidelines

The students of final year are supposed to carry out a project work as a mandatory requirement of Osmania University. In this connection, the students are advised to follow the guidelines:

1. The students are advised to choose any one faculty member of ITD as a project guide. The guide shall give the problem statement/project based upon his area of interest or experience.
2. Each faculty member shall guide not more than three projects.
3. Students are encouraged to accomplish the project work individually. However, a maximum of three students are permitted to work on a project (as per the OU guideline).
4. All projects shall be carried out at MJCET. However, students are encouraged to do their projects at CMM Level 3, 4 or 5 certified software companies, Government Organizations like DRDL, DLRL, NRSA etc. However, the consent of the college guide is mandatory in such case. Projects carried out at commercial institutes, companies shall not be accepted.
5. Last date for submitting the project proposal to the undersigned (duly signed by the respective guide) is 25-July-2011 (Mon), 3 PM.
6. The student is supposed to give two project seminars in 4/4 – I Semester. The first seminar will be scheduled in the 2nd week of Aug-2011. Further, the second seminar will be scheduled in the last week of Oct-2011.

Date: 11-July-2011
