# ANNUAL REPORT 2023

**Inauguration of  
SU Knowledge Hub Foundation**  
Muffakham Jah College of Engineering and Technology  
by Shi Jayesh Ranjan, Principal Secretary, Industries & Commerce and IT  
on 8<sup>th</sup> February, 2023

# Vision

*To be a part of the universal human quest for development and progress by contributing high caliber, ethical and socially responsible engineers who meet the global challenge of building a modern society in harmony with nature*

# Mission

1. To attain excellence in imparting technical education from the undergraduate to through doctoral levels by adopting coherent and judiciously coordinated curricular and co-curricular programs.
2. To foster a partnership with industry and Governmental agencies through collaborative research and consultancy.
3. To nurture and strengthen auxiliary soft skills for overall development and improved employability in a multicultural workspace.
4. To develop scientific temper and spirit of enquiry in order to harness the innovative talents.
5. To develop a constructive attitude in the students towards the task of nation-building and empower them to become future leaders.
6. To nourish the entrepreneurial instincts of the students and hone their business acumen.
7. To involve the student and faculty in solving local community problems through economical and sustainable solutions.

# Core Values

1. Academic integrity through honest, fair, ethical and transparent processes
2. Excellence in teaching – learning through student centric pedagogy and state of the art facilities
3. Tolerance for diversity among the faculty and students through freedom and respect for everyone without discrimination
4. Interdisciplinary interaction through elective courses, projects and R & D work
5. Faculty Development through support for qualification improvement, research, innovation and publications
6. Student development by nourishing creativity, imparting life skills and instilling social responsibility
