

### S. Shahar Banu (Bio-data)

Pursuing her doctorate in Mechanical engineering, her area of specialization is Thermal Engineering.

She is working as Assistant Professor in Department of Mechanical Engineering since 2010. She obtained her Bachelor's Degree in Mechanical from KSRMCE affiliated to SVU, Tirupathi and Masters from JNTU Hyderabad. She is Life Member of ISTE.

Initially she worked as Assistant Professor from 2008 to 2010 at SCET, Peerancheru, Hyderabad.

In February 2010 she joined MJCET as Assistant Professor and working till date.

His area of expertise lies in Thermal Engineering and he handled subjects like.

Thermodynamics, Applied Thermodynamics, Heat Transfer, Fluid Mechanics, Refrigeration & Air Condition, Non-Conventional Energy Sources, Elements of Mechanical Engineering and Automobile Engineering.

She participated in National and International Conferences, Workshops and Seminars .

She also published 5 national and International Journals.

She presented one paper in international Conference.

She is Class In charge of attendance and internal marks.
