Report on EID AL-ADHA(BAKRID) CELEBRATIONS – 2022

Bakrid, also known as “Eid al-Adha”, is an important festival for the Muslim Community world wide.this festival was celebrated with great fervor and enthusiasm in an Engineering college.

Event date : 24thJuly, 2021.

The celebration started with a special prayer, known as Namaz, held in the college mosque. It was attended by a large number of students and faculty members who came together to offer their prayers and seek blessings from the Almighty.

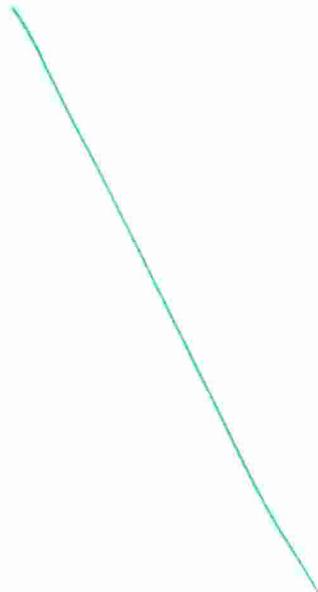

The main attraction of the celebration was the distribution of sweets, which was followed by a lavish lunch. The food was prepared by the students and faculty members and was served in a traditional way. It was a time for everyone to come together, share their happiness, and enjoy a meal together.

The celebration ended with a distribution of sweets and a thank you speech by the college management. They acknowledged the efforts of the students and the faculty members in making the celebration a grand success.

In conclusion, the Bakrid celebrations in the Engineering college were a true reflection of the cultural diversity and unity that exists among the students. It was a day of joy, Happiness, and togetherness and it left a lasting impression on everyone who was a part of it.

Report on TRADITIONAL DAY CELEBRATIONS – 2022

Traditional day Celebrations are an integral part of the culture of Engineering Colleges. The celebration is an opportunity for students to showcase their cultural heritage and embrace the traditions of their respective regions. This report will provide an insight into the traditional Day Celebrations in an Engineering college.

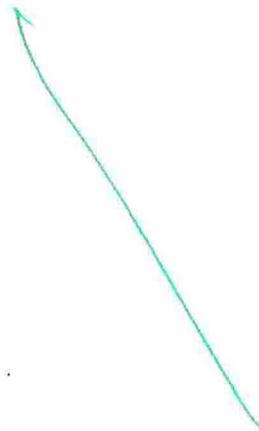

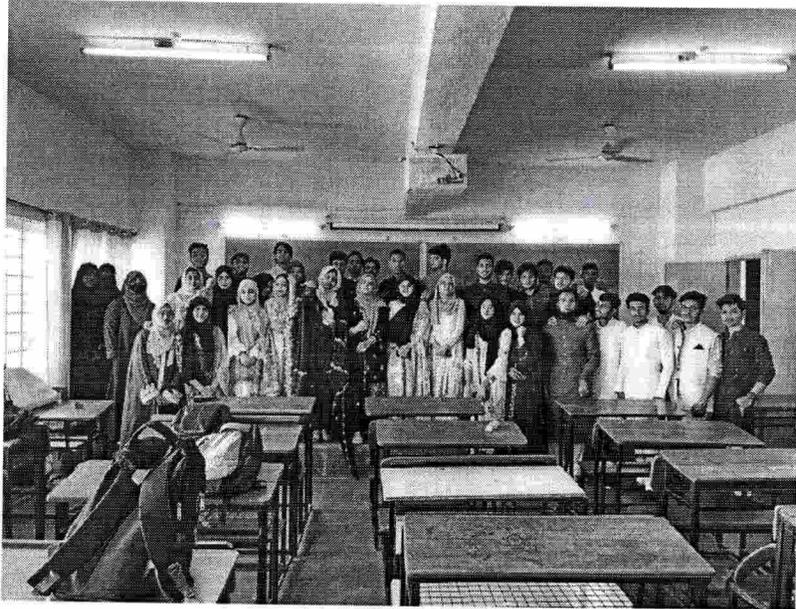

Event Date : 10thJan, 2022

The Traditional Day Celebrations in the engineering college take place annually and are organized by the students themselves. The students dress up in traditional attire and participate in various fun games. The day begins with a parade of students from different regions, dressed in their traditional attire.

The Traditional Celebrations in the engineering college provide an opportunity for students to come together and celebrate their cultural heritage. The day is a celebration of the diversity of India and a showcase of the rich cultural traditions that exist within the country. Through the traditional attire and fun games, students are able to experience the richness and diversity of india's Cultural Heritage and develop a deeper appreciation for their roots.

Report on HOLI CELEBRATIONS – 2022

Holi, the festival of colors, is one of the most vibrant and joyous festivals celebrated in India. This year, the Engineering College also celebrated Holi with great fervor and enthusiasm.

Event Date: 20thMARCH

On the event day of Holi, Students gathered in the college ground, Dressed in their traditional Holi attire. The celebrations started with a musical performance by the students.

The Highlight of the festival was the holi color play, where students threw colored powders and water at each other. Everyone was in high spirits, and the atmosphere was filled with joy and laughter.

After the color play, the students enjoyed a variety of Traditional Holi Food. There were also various fun games organized by the college.

The Holi Celebrations in the engineering college were a huge success. The students enjoyed the festival to the fullest and created memories that will last a life time. The vibrant atmosphere and the joyous spirit of students made the festival truly unforgettable.

The college authorities should be commended for their efforts in organizing such a magnificent event. The festival was a great opportunity for the students to come together and celebrate their cultural heritage.

UGADI CELEBRATION

MJCET celebrated Ugadi Festival - A Festival of new beginning' on Monday, 11th April 2022 at the Department of Chemistry, MJCET

Ugadi is observed on the first day of Chaitra according to the Hindu lunisolar calendar. The name 'Ugadi' was originated from two Sanskrit words, 'Yuga' and 'Adi', translating to a new beginning. The festival of Ugadi marks the arrival of the spring season. Ugadi also marks the beginning of a new era. The programme began with a prayer rendered by the College Choir, followed by Rangoli by girl students and burning fire crackers symbolic of driving away darkness. Dr.Basheer Ahmed ,Advisor Cum Director, Dr.Mahipal Singh Rawat, Principal presided over the programme This celebration was witnessed by more than 100 members including students and teachers. The event started with the traditional lighting of a lamp. The gathering was also appraised about the benefits and medicinal qualities of the famous Ugadi Pachadi.

Report

Department of Mechanical Engineering hosted Eid Milap celebrations in the Seminar Hall of Block-4 on 04th May, 2022 at 1:30 pm for all the staff members of the college.

This event was attended by almost all the staff members of all departments along with their families and had a gala time. During this event, a lot of information on Eid/culture was shared with the invitees along with relishing the Eid Delicacies (Sheer Korma and many other snacks).

Advisor cum Director, Heads of all the departments attended and conveyed their wishes to all the staff members of various departments. Later staff members had moved to their respective departments and conveyed their Eid wishes to each other.

Family members of staff enjoyed these celebrations and wanted this tradition to continue every year to bring people together from different cultures/ethnicity on the joyous occasion of Eid-ul-Fitr.

Total No. of Faculty attended: 165 along with their families.

Report on “Diwali Celebration” – 06-11-2021

An initiative in providing an inclusive environment, MJCET has showcased cultural harmony celebrated Diwali. The celebration started with inaugural speech addressed by Head of the departments highlighting the need of such cultural events to bring unity among all religions. The festival teaches us that good always wins over evil and that we must eradicate darkness with light, symbolizing the spiritual “victory of light over darkness”. The main motive of the festival is to spread happiness among all. The students organized various programs such as Rangoli competition, debate and recreation events on this day. Diwali is not just a festival but a way by which we instill good things and stay away from evil and try to follow the right path to lead our lives.
